ALHAMBRA, Calif. June 2009, -- Blind9Golf.com, a leading online retailer of golf equipment, today announced its Father's Day sale on the new TaylorMade R9 line of golf accessories. The popular TaylorMade R9 series features the newly released TaylorMade R9 460 driver, one of the hottest golf clubs on the PGA Tour and among golfers at all levels.

"Father's Day is right around the corner, and there's no better way to

celebrate dad than with his favorite golf clubs and accessories,” said Timothy O’Connor of Blind9Golf.com. “We’ve got everything he needs to get his game on and look great, from tee-to-green, including the hottest club on the PGA Tour -- the Taylormade R9 series -- at prices that are hard to beat.”

Launched in May 2009, the Taylormade R9 460 Driver has quickly become a favorite among both amateurs and tour professionals. With a longer and lighter weight graphite shaft, this top of the line driver combines Taylormade’s Flight Control Technology (FCT) with the exceptionally forgiving power of a 460cc club head. Some of the pros who have put the new Taylormade R9 460 or R9 driver into their bag include Sean O’Hair, Kenny Perry, Sergio Garcia, Rory Sabbatini, Justin Rose, Darren Clark and Andres Romero.

The Taylormade R9 series includes drivers and fairway woods, and a selection of quality golf accessories such as the R9 branded hats (TaylorMade Limited Edition Tour R9 Cap, TaylorMade Tour AG Hat, TaylorMade R9 Radar Cap, TaylorMade R9 Radar Visor), TaylorMade R9 Players Towel, TaylorMade R9 Cart Towel, TaylorMade R9 Double Canopy Umbrella and TaylorMade R9 Stand Bag.
