BURBANK, CA, September 15th, 2009. Ergonomics office brand Elbow Friend is happy to announce working with Georgia based healthcare services company Cypress Care, and online retailer Chairarm pads.com. Elbow Friend is also introducing a new color in its line of ergonomic chair accessories: The Midnight Black Elbow Friend, for the professional corporate environment.

Midnight Black joins other professional colors such as Executive Gray and Royal Navy, along with its more vibrant original colors Grassy Green, Sunflower Gold and Racin' Red.

The Elbow Friend is a super-plush, detachable armrest cushion that attaches with velcro straps or adhesive velcro to a chair's armrest. It was created by a Film & Television Editor who has spent more than a decade sitting in uncomfortable office chairs. Elbow Friend retails for \$22.95 for a pair, samples and Press Kit are available to the Press.

"I found it to be especially effective when using a computer mouse." -Theresa Wozniak, OTR (Occupational Therapist)
